

print_rr_SOA

```
graph LR; A[print_rr_SOA] --> B[print_rr_CNAME]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'print_rr_SOA'. A blue arrow points from this box to a second box on the right, which is white and contains the text 'print_rr_CNAME'. Both boxes have a thin black border.

print_rr_CNAME
